## PLAZA SHOP TALK

By Sewall Clark  
**WHEN A** scientist once  
told me that color does not  
exist in the physical world —  
"color is a psychological  
quality; an experience" —  
I said to myself "just walk  
slowly toward the door, this  
kid may be dangerous." But  
look it up sometime.  
Or, if you scare easily,  
leave it alone. A study of  
color and light waves will  
show you what a compli-  
cated, mysterious creation  
you really are.

**IF YOU** are beginning to  
"see red" at this point, for-  
get it. It has been proven  
that colors affect your  
health, both physically and  
mentally.

On the "business" side, a  
certain soup manufacturer  
almost flipped when he saw  
— in the first days of color  
photography — what a bowl  
of vegetable soup looks like  
when advertised in "sick"  
colors. Be careful.

**IN OUR** tiny dress shop  
on the "Montecito Plaza" —  
39 East — Trudie holds back  
from making a sale if the  
customer reaches for a color  
that would be good only for  
somebody else. She tries to  
steer her into something  
right.

Through her experience in  
fashion design (she's a char-  
ter member of California  
Fashion Designers) Trudie  
thinks perhaps a sense of  
color is like music: you're  
born with it or without it.

**THAT'S WHY** I'm glad  
Trudie is at the Plaza Shop  
where the motto is develop-  
ing: "When in doubt, ask  
Trudie!" As her conniving  
husband, I avoid a lot of re-  
sponsibility that way.

If you see me resting in  
the patio outside the shop,  
staring at the sky, it's only  
because I'm trying to figure  
what is that Mysterious  
Something in the brain that  
changes light waves into  
color.

Ask Trudie!

**FOUR PRECIOUS** Thanks-giving bundles arrived in the past month at the Sierra Madre Community Hospital—all four for Sierra Madre parents and residents.

**GREG MICHAEL HITE** was born to Mr. and Mrs. Woodward V. Hite Nov. 3, weighing 8 pounds and 2 ounces. His paternal grandparents are Mr. and Mrs. Woodward V. Hite Sr., of Colorado Springs, Colo. Maternal grandparents are Mr. and Mrs. Thomas Miller of Philadelphia.

Gregg has a sister, Susan, 2½, and his dad is assistant fire control officer for the east end of the Arroyo Seco District. The family is happy living at 2225 N. Santa Anita Dr.

**RICHARD MACARO STEARNS**, weighing in at 6 pounds, 11 ounces, was born Nov. 26 to Mr. and Mrs. Richard E. Stearns of 111 E. Laurel, The Stearns' first child. Paternal grandparents are Mr. and Mrs. R. H. Stearns, 17424 Labrador, Sepulveda, Calif. Mr. and Mrs. Joseph Macaro of 10631 Coloma, Loma Linda, Calif., are the maternal grandparents.

**MR. AND MRS. WILLIAM J. NICHOLS** became parents of a son, Richard Thomas, weight, 7 pounds, 13½ ounces, on Nov. 9. They live at 461 E. Grand View.

**THERESA LOUISE**, a girl weighing 11 pounds, 14 ounces, was born to Mr. and Mrs. Alan D. McCauley Nov. 9. The McCauleys and new daughter live at 176 Los Rocas.

**RUTH BARDEN** sends word that she and her husband, Richard, will be hosts for the annual Civic Club Christmas Party for members and their husbands at the Barden home, 217 W. Orange Grove, Saturday evening, Dec. 16.

A buffet supper will be served at 7 p.m. Each member is asked to bring an unwrapped gift to be given to the Children's Hospital. They plan for full attendance, but Ruth suggests it might be wise to check with her at ELgin 5-3042.

**AND NOT TO BE** out-classed by humans are "Sam" and "King," two handsome New Zealand Samoyeds, who are the happy parents of nine—a litter of cuddly, fluffy, white puppies, five males and four females.

This is Mama Sam's third litter. King is a typical attentive dog papa. The pups have a full grown sister named Candy. These beautiful, affectionate and friendly dogs are owned by Mrs. Edward A. Davey at 84 Monterey Lane.

"She's a real celebrity in this part of Sierra Madre," says Mrs. Davey. "And now I can take a nice long sleep and relax."

**MR. AND MRS. FRANKLIN A. FRANCO**, of 409 N. Mountain Trail, are proud grandparents of a granddaughter, Melissa Franco, born in Huntsville, Ala., and weighing 6 pounds, 6 ounces. The parents are Leonard and Francine Franco, formerly of Sierra Madre. Mr. Franco is now representing the Space Craft Division of Aero-Jet General in Huntsville.

**WE'D LIKE** to welcome newcomers Mr. and Mrs. Lawrence (Gloria) Bealer and their two children, Susan 1½ and Terry 2½, to Sierra Madre. The Bealers flew over from London, England, arriving here Dec. 1.

Mrs. Bealer is a charming young woman with a delightful English accent. Mr. Bealer's brother, Peter Bealer, also lives in our city. Mr. and Mrs. Lawrence Bealer are making their home at 100-B E. Laurel.

**BEST BIRTHDAY** greetings to a lively woman Mrs. Olive Carter Hall who'll celebrate her 84th birthday anniversary, Dec. 18. Mrs. Hall was born in Mt. Top, Ark. She has two grandsons, Richard Witter and Don Bradley and six great-grandchildren.

She and her daughter, Mrs. Patricia Witter, live at 169 N. Mt. Trail. Last time we saw Mrs. Hall she was all dressed up in a gay red raincoat and hood and wearing Christmas red rubber boots,

## Chest Drive Ends But Is \$2,000 Short

The Board of Directors of the Community Chest thanks all who helped in the recent campaign; the agency members, who did the door-to-door solicitation; the Camp Fire Girls and Girl Scouts, who folded and "stuffed" the letters for the pre-campaign mail solicitation; Camp Fire Girls, who made posters for store windows; and, most of all, the wonderful donors, who mailed in contributions and pledges and gave at the door to volunteers.

The thermometer has been removed from the Triangle in deference to the Christmas scene.

**THE TOTAL** is now about \$7,000 dollars, or 50 per cent of the goal.

Pledges, mostly through A.I.D., and many of indeterminate amounts, will amount to \$4,000 or \$5,000 more, leaving \$2,000 still to be raised.

Some homes have not yet been contacted and while the door-to-door campaign has been completed, donations still may be mailed to the Chest in care of Sierra Madre Postmaster.

## ... Social and Club Activities ...

**THE 7TH AND 8TH GRADES** of Ascension Day School presented a traditional Christmas play, "St. Francis' Gift of the First Christmas Creche," in Parish Hall. From the left we have Greg Fowler, who played Giovanni; Richard Martin as a child; Mary Sewall as Mary; Brian Hallett as St. Joseph, and James Graves as St. Francis.

merous holiday parties and events where they also enjoyed the Tumility talent for unique, artistic decorations.

But this year Mrs. Tumility and daughter will fly to the Hawaiian Islands, Dec. 20, for the holidays. They'll meet Art and Dot at Kona Inn, Dec. 27 for a post-Christmas dinner.

Curtain time for a Carol-Fantasia, presented by the Alverno Heights Academy Glee Club, will be 8 p.m., Dec. 16 and 17 in the school cafeteria. Instrumental solos will prelude the program.

"The Fantasia is a blending of all the favorite Christmas carols, unified by the one story they tell, the birth of Christ," explained Sister M. Constance, Glee Club instructor.

With the joy that is the theme of all Christmas celebrations, the chorus will open with "The Christmas Invitation," bidding the whole world "to come and adore Him." The carol cantata will also recall the promises made to the ancients in the hymn, "Lo, How the Rosebuds Springing."

**SOLOIST PAT TOBIN** will sing "The Annunciation." Susan Walker and Theresa de la Torre will relive in song announcement of the Savior birth with "Message of the Angels."

**AN INTERLUDE**, "The Drummer Boy," will be performed by a selected ensemble. Kathy Hermann will sing "The Adoration" completing the nativity scene. The entire chorus will join in the finale, "Thrice Holy Day," the Sicilian mariners' hymn.

Opening the program, Pat Pretzinger will play "Loure," Joella Merton will perform an accordion solo, and Anne Marie Matheny, a piano solo, "Malaguena." Accompanists for the Carol Fantasia will be Lucy Marino, piano and Pat Pretzinger, violin.

Among the 25 guests and members were Mrs. Sylvia Stout, president, and Mrs. Gracie Shepard, publicity chairman, both of Los Angeles.

Yellow mums were used for decoration and "mood" music was especially recorded for the day's festivities.

Color slides were shown which the Sages took when they trailer toured in the Southwest for two months this last fall.

The pictures were taken in Arizona of flaming sunsets over the Grand Canyon, Glen Canyon Dam under construction, Indian ruins, fantastic rock formations of the Red Rock country

# Ranch Roundup

By  
Joyce Wenger  
SYcamore 8-4777

We've just selected and cut our own Christmas tree which marks the beginning of another holiday tradition in our family. It all began when I read an article in Sunset Magazine listing farms where people might cut their own Christmas tree. The article indicated you would not save any money (although we did), but it would mean a fresher, longer lasting tree.

Seems pertinent to mention here that Sam Rushworth of Chelsea Vermont, told me he is paid 25 cents each for trees cut from his farm in October and trucked to Texas and sold in December.

And so last Sunday, my reluctant family joined me in quest of our Christmas tree. Arriving at the tree farm in Etiwanda, my husband sarcastically reminded me we had driven 35 miles and passed by 34 commercial Christmas tree lots — and this and you from a transplanted New Englander and forestry college graduate!

He soon changed his tune as we tramped through the rows of beautiful fresh fragrant Monterey pines. When at last we'd made our selection, it took little effort, with the sharp tree cutter the farmer provided, to fell the handsome tree.

Must explain that during this wonderful ritual 4-year-old Mark had the time of his life, but not in the forest of trees, as I had expected. He was busy playing farmer on a tractor in an open field! Driving home, the family happily and unanimously agreed, "We should do this every year."

**JULIE AND ROBERT BREMER** entertained at a cocktail party last Saturday night, honoring the Harry Halsteads who've moved to 1490 Old Mill Rd., San Marino.

Among those bidding farewell were Messrs. and Mmes. Carlton Wright, Eugene Rode, William Pursley, Don Monroe, Levere Huff, Neal Rowley, James Verhovek, Edward Watts, and his cousin from Sweden, Maryanna Olmquist; William Bevan, John Queen, Keith Stiles, William Taylor, Richard Jones and Dr. and Mrs. Philip Windsor.

By the way, it was a rather busy time for the Bremers; baby Susan was one year old on Monday!

**MRS. LILY KAYE** of London, England, was honored guest at a bridge-luncheon this week, given by Mrs. Richard Goldman (Anna) of Valley Lights Dr. Mrs. Kaye is visiting her son, Steve Kaye and family, on Medford.

Luncheon guests were Ruth Kaye, Vivian Cohen, Mattie Primack, Dorrie Chase, Sara Ruden and Audrey Cohan.

**BETTY AND LLOYD DONAHUE** of Cliff Dr. must be setting some sort of record meeting planes at the airport these days. Lloyd's parents, the Walter Donahues, flew in from Rosalia, Wash. yesterday.

On Saturday their son Pat arrives from Colorado College where he's in his junior year, majoring in business administration.

And next week the Donahue clan will again be airport bound to greet daughter Sherry flying down from Pullman, Wash. Sherry is a freshman majoring in architectural engineering.

Must tell you that Lloyd is vice president of Ajax Boiler and Heater Company which has just moved into its fabulous new plant in Gardena. You know, the type that's designed to look like a lovely home rather than an industrial plant.

Well the not so side-splitting joke around the Donahues these days concerns the boiler manufacturing company that doesn't have a boiler installed as yet — and brrr, it's cold in that new plant!

"HOLIDAY IN HAWAII" is not just a dream for Helen and Stanley Krugman and their children. They are on their leisurely way by ship and expect to return by plane after New Years.

**ABOUT SEVENTY RANCHERS** attended the Cystic Fibrosis Guild Christmas cocktail party last Sunday at the lovely Charles D. Eldson home in San Marino. By coincidence nearly all the feminine guests happened to wear black, so I'm going to note that the hostess in a ray stripe dress, Geanne Axson in white Phyl Hardill and Betty Stearns in red all looked especially festive.

Already I am dreading the thought of January and digging out from under the glitter and tinsel.

There is something about the feel of a pressurized can of spray paint that absolutely does me in. I get kind of a maniacal pleasure about spraying everything in sight, including yours truly.

By the time the Christmas parties roll around I have managed to get my hands in such a roughened condition they couldn't even use them for a "before" ad. Plus that, the house is so brilliant with gilt you need sun glasses to walk through.

**THE HOLIDAY** season has virtually started with a few parties past and a lot in the offing.

**MR. AND MRS. JOHN GALBRAITH** of Hartwood Point got in the swing the other evening with a Swiss Fondue Dipping party. A little of old Switzerland right here on the hill, as it were.

Their friends, and you have to have friends if you are going to dip together, were Mr. and Mrs. Daniel Davies, Mr. and Mrs. Jerry Simms, Mr. and Mrs. Walter Lewis, Mrs. Marilyn Sailer, William Hoop, Mr. and Mrs. Allen Wierick and Mr. and Mrs. John Porter.

**DOWN ON WYNN RD.** Mr. and Mrs. Charles Klingerman hosted a dinner party last week. Their guests were Mr. and Mrs. Gus Kallonez, Mr. and Mrs. Lee Christian, Mr. and Mrs. Sidney Marrall, Mr. and Mrs. Don Perry and Mr. and Mrs. Karl Kekfi.

**HAVE YOU** any idea how much mud and sand can be accumulated in a basement 24 ft. x 12 ft. x 6 ft. This is what the Ben Rogers of Pasadena Glen have to cope with, plus all of the mud around the house, due to the slide in the recent storm. An army of friends rallied around last Saturday with shovels and buckets to hand dig the wet mud out in relays so that the family can move home again.

Ben and Virginia have been all over the neighborhood collecting the remains of their beautiful patio plantings that washed down the way when the tidal

for her son, Walter's, wedding. The wedding was solemnized at St. Francis Church at a 10 a.m. Nuptial Mass.

The bride, the former Mary Frances Sullivan, is the daughter of Mr. and Mrs. Richard Sullivan. After a brief honeymoon the young couple took up residence in an apartment in Santa Monica, Calif.

ister with authorities on the same basis as drug addicts and sexual psychopaths." (Dana admitted having started at least 12 forest fires, mostly of a major nature).  
"It is my hope," said Supervisor Dorn, "that the intensive feeling engendered by this fine young man will result in stronger penalties, a real tough program of confinement and more careful supervision and periodic

checkups after release."  
Forest Service personnel and friends of the Rushworths attended the memorial service in Arcadia Saturday and heard Rev. George W. Lindsay, minister of the Sierra Madre Congregational Church, describe Michael as a valiant youth.  
"HE WAS NOT the kind that bands play for, but a man doing a job requiring a risk," Rev. Lindsay said. "He took that risk in his stride and this is what makes a hero and makes a

man."  
Sim Jarvi, Angeles National Forest supervisor, expressed the feelings of all the saddened forestry men when he said that "we had 800 men fighting that fire; we managed to save more than 800 homes which were threatened, but we lost \$2 million worth of watershed. Now this boy's death makes all that small in comparison."  
The Rushworths have returned with Michael's body to Vermont where services

were conducted last Tuesday. Before leaving, Mrs. Rushworth revealed that the young people of their son's church in Chelsea have collected money which to establish a memorial for Mike in the chapel now being constructed at Arcadia Methodist Hospital.  
AMONG THOSE contributing to the Rushworth fund are the Sierra Madre Fire Department, Alleen Williamson, Vivian Henson, John Curtis, G. Lumsdin, Eloyce H. Conway, Ruby

Barham, Howard S. Camps, Ralph and Byrna Alpert, Bonnie Webster, Frank A. Gregory, Mrs. Newton, the Young Fire Fighters, Nellie M. LaFlamme, Gertrude Bailey, Florence Pride, Hazel S. Woodward, Mr. and Mrs. Andrew Munoz, Cecyl Haveline.  
Also Mabel Succarini, Elizabeth S. Garlinghouse, Burton Cousens, Lucille Long, Jane Bevington, Dolores Thill, Loren Jenkins, Jack V. Stumpf, Frank Spencer, Barbara Horton, Jesse Basham, Emelia Barhard,

Winifred Hanson, Charles E. Louk.  
Young Rushworth had graduated from high school in Chelsea, and hoped to become a forester. He had planned to attend New York State College at Albany to further his career.  
THE COMPLAINT charging Dana, an unemployed barber, with murder, was signed by Sgt. E. Collins of the sheriff's homicide squad and Sgt. Robert Chaney of the arson detail.  
In addition to the first Sierra Madre fire on Oct. 30, Dana was charged with setting two fires in San Gabriel Canyon, one in Newhall near Highway 6 on Sept. 11, a fire in Sierra Madre Canyon Nov. 6, another along Chaney Trail in Altadena Nov. 13 and one in Little Tujunga Canyon the same day, a fire in Benedict Canyon Nov. 6 and one in La Tuna Canyon Oct. 13.  
The Little Tujunga-Kagel Canyon fire resulted in nine structures being destroyed. He was arrested by sheriff's deputies and forest service investigators who traced the license numbers of a car seen leaving the scene of a brush fire in San Gabriel Canyon.

## L. N. Wilcox Passes Away

A retired letter carrier, Lynn Seymour Wilcox, 79, of 329 W. Montecito Ave., passed away Thursday, Dec. 7, in a Pasadena sanitarium following a lengthy illness.

Originally from New York, Mr. Wilcox came to California 12 years ago, settling immediately in Sierra Madre.

Surviving are his wife, Cora Bea Wilcox of Sierra Madre; two sons, William B. of Malibu, and Edward F. of Arcadia; a daughter, Mrs. John Albro of Port Story, Va.; four grandchildren and

seven great-grandchildren. Services were Friday at 4:30 p.m. at the Riple Mortuary Chapel, the Rev. Robert N. Schaper of Bethany Church officiating. Commitment was private in Pasadena Mausoleum.

## Car Splattered By Egg Throwers

Egg throwing at automobiles has come to be a current sport for a gang of Sierra Madre youngsters who face police action if apprehended.

Latest instance was the car of Ralph Brantley splattered with eggs while it was parked in the driveway of his home at 52 W. Grand View.

## Sierra Mesa Pupils Plan Celebration

At 9 a.m. on Friday, Dec. 15, the primary grades, and at 2:15 p.m., the 4th through 6th grades will meet in the Sierra Mesa School cafeteria for a celebration of the holidays. Each class will contribute to the assembly program.

The staff will meet Tuesday, Dec. 19, for a Christmas breakfast at the Sierra Madre Headliner. Arrangements have been made by Mrs. Dorothy Baird and Mrs. Margaret Ransom.

The Sierra Mesa Kindergarten was the setting for a meeting of all new kindergarten teachers who work with Instructional Supervisor Renee Le Roy on Monday, Dec. 11. Miss Le Roy was hostess to the group at the festive Christmas tea table.

Vacation starts on Wednesday, Dec. 20, 1961. Children will return on Wednesday, Jan. 3, 1962.

**NECKERCHIEFS** were awarded by Millard Davidson, Robert Johnson and Harold Engerhofer to the following squad leaders from the Sierra Mesa School for this semester at a recent assembly:

Fourth Grade—Marianne Johnson, Paul Copeland, Trina Burke, Nancy Simons, Jon Treder, George Takahashi, Tom Edwards, Mary Alice Colvin.

Fifth Grade—Denise Hamerschmitt, Carolyn Spencer, George Matakovich, Tim Alonso, Roger Mackenzie, Tom Fleming, Judy Emerson, Diane Wilson.

Sixth Grade—Larry Strong, Diane Schmidt, David Cowell, Jeffrey Davidson, Wyatt Dietrich, Georganne Wilson, Pamela Jones, Lisa Reed. Jeffrey Davidson has been elected president of the

group. The program has been in operation by Pasadena Kiwanis Club in cooperation with the physical education department for many years and is planned to further leadership, sportsmanship and character building among future citizens.

**THE 3RD GRADE** classes at Sierra Mesa School, directed by their teachers, Mrs. Margaret Ransom and Mrs. Dorothy Baird, visited Mt. San Antonio College Farms Tuesday, Nov. 28.

The children saw the many farm animals about which they have been studying. They were transported

by Pasadena Schools bus. The farm unit is now part of the 3rd grade social studies program.

**CLASS PRESIDENTS** Mark Frederick, Cheryl Lomatsch, Barbara Rush and Michael Zapp with the Sierra Mesa sponsor, Mrs. Beulah Wood, attended the Junior Red Cross Tea in Pasadena Monday afternoon. On display were Christmas gift projects and exhibits of services to hospitals and children's institutions.

"He that ruleth over men must be just, ruling in the fear of God. And he shall be as the light of the morning... as the tender grass springing out of the earth by clear shining after rain." — Last Words of King David. Old Testament.

"The flames kindled on the 9th of July 1776, have spread over to much of the globe to be extinguished by the feeble engines of despotism; on the contrary, they will consume these engines and all who work them." — Jefferson's "Testament of Freedom."

## Our Home Town Dramatics

Sierra Madre in these past two weeks has had examples—welcoming so—of home dramatics revealing more than ever before the fine histrionic talent possessed by many of our citizens and those of the Hastings Ranch area.

First we had the PTA's sixth annual extravaganza, "It's About Time," and it is time to herewith applaud editorially—we did literally at the show—the splendid work of these musical show performers.

We are prone to write that a home talent show had the earmarks of a professional performance, this out of kindness to the performers themselves, but "It's About Time" would easily rival any regular stage production.

IT SHOWED also what could be done minus the political bias which marred last year's extravaganza. Here was wholesome fun, good music and a chorus line that would have been the "apple of his eye" for a professional revue impresario. Our hats off to all the several score performers and especially to Jane and Ross Tyree, co-producers; these two did a splendid job.

Secondly, we had the Sierra Madre Players in last Friday and Saturday nights' offering of Thornton Wilder's "Our Town," a comedy of American small towns. Here, also, was a fast-moving, excellent performance by a well-trained group with Jane Buchanan as the able producer and the discerning Charles F. Sanders as director.

THIRDLY, there was the Studio Players who last night started their offering of Paul Osborn's "Morning at Seven" "in the round" at the Lopez Gallery. Here we have excellent stage direction by Florence Myers and a cast, all Sierra Madreans, dedicated to the drama and whose characterizations are excellent.

Sierra Madre and the Ranch may well be proud of their folk devoted to the stage, both music, comedy and drama.

## Bill of Rights -- and God

Tomorrow is the anniversary of our nation's Bill of Rights, one of those tremendous documents of America, indeed of the world, and which should be constantly remembered by all.

We are in the midst of both a critical and an historic age, one in which to repeat Tom Paine's famed words, "try all men's souls," a period when free men, such as we are, may have to fight to preserve and continue our freedoms. And we must remember at all times that one of these freedoms is to worship God as we wish.

PAUL D. McKELVEY of Pasadena, moderator of the Presbyterian Church in the USA, in a letter sent to all pastors of his denomination, points to certain conditions that confront us at this Christmastide and which are intermingled in the preservation of our freedoms.

"We have grown accustomed to distant wars," he writes, "affecting us in terms of those who go forth to fight — and especially in terms of those who do not return, but not in terms of destruction poured down upon our cities and countryside. It is different now. History has caught up with us and surrounded us; it is our homeland that is threatened with terror from beyond the skies."

"We are Americans. We should be patriotic. We should be proud that we participate in history's great venture in freedom."

"WHILE WE grieve over our nation's flaws and are saddened by every denial of justice, we affirm new faith that our country's good can be confirmed in brotherhood."

"We believe that the United States of America continues to offer the best prospect demonstrating to the world that free men can govern themselves responsibly and decently."

"God has a stake in our affairs and in the way human history turns out. . . . Assured that God is interested in human affairs and is active in our midst, we participate cheerfully in the drama of history."

"WE ARE CONFIDENT that God has in store, not the destruction of his creation, but its complement and perfection of Jesus Christ. We look forward, therefore, to His coming. And, as we look, we do not huddle in underground caverns carved out by our fears, but being free men we stand upright because we are citizens of a kingdom that has no end. This is God's world and we can trust Him with it."

"The Lord who entered history is the ruler over history. He can be trusted not to become baffled. He will not be taken by surprise. He remains in control."

Messrs. Khrushchev and Mao could read Mr. McKelvey's letter to their profit and that of the rest of the world. So can we.

## You stomp on It -- Kill It

The United States and all that it stands for is endangered from within and from without.

To an appreciable extent we know of the danger from without and can, likewise and in a measure, know how to deal with it.

But in our American way of "playing fair" we lean "too far backward" in dealing with the "dangers from within." Here we are "playing with fire."

By "dangers from within" we today mean "enemies from within." These are personified by members of the Communist Party in the United States and their Red and

### State's Bond Barrel Has No Bottom

By Henry C. MacArthur  
(Special from Capitol News Service to Sierra Madre News)

SACRAMENTO — (CNS) — When a private business firm bonds itself beyond capacity, or issues stock over and above the amount necessary to engage in its normal activities, investors in that business are endangered.

In other words, private business is not permitted to expand beyond the capacity to assure income to meet its obligations, over and above the normal risks confronting the business operation.

State law created a corporation commissioner to rule on over-expansion by private business and so far has done a good job.

HOWEVER, there are no such legal restrictions on government. The state can issue all of the bonds the people care to vote, no matter what the future holds, or how long it may take to pay off the bond issue. There is no constitutional limit to the amount of bonds an administration may propose to the people.

At present, a total of \$5,218,300,000 worth of state

bonds is outstanding. Of these, \$2,438,103,000 have been sold.

Now the Administration of Governor Edmund G. Brown, plus some Democratic legislators, are expected to propose \$1,050,000,000 more in state bonds next year.

This would bring the total state figure to \$6,228,300,000, assuming the people are gullible enough to vote all the new proposals.

ADDITIONAL amazing figures show up under this bond program. Total bonds so far under the Administration of Governor Brown amount to \$2,650,000. This is approximately 50 per cent of the total bond issues previously voted and still outstanding.

Should all of the bonds to be proposed in 1962 find favor with the voters, the Brown Administration will have accounted for \$3.7 billion worth of obligations confronting the California taxpayers for the next several generations.

This is almost 60 per cent of the bonds voted and the bonds proposed.

At the same time Governor Brown is saddling the taxpayers of the future with these huge debts, he is campaigning on the basis of a "balanced budget."

If the Governor is reelected in 1962, and serves the people another four years, he conceivably, if he keeps up his current record, could run up an additional \$4 or \$5 billion.

THE PEOPLE of California have been generous with the schools, having never turned down a bond issue for the state to make loans to school districts for construction of new classrooms. In addition to these loans, the state contributes more than 40 cents out of every tax dollar to education in California.

Yet, the school buildings California districts now have are used only three-quarters of the time. Even so, a total bond issue of \$250 million will be requested next year to add to this taxpayers' burden.

Eventually, the Legislature should get around to establishing some sort of a limit on the credit of the state, through a Constitutional Amendment to be proposed to the people. But this is not likely, as long as the political barrel has no bottom.

competent and regaining his self-confidence.

THESE ARE, of course, the standard words employed by "puff artists" and publicists. They also happen to be an accurate and fair description of the man in office. Now, after ten months, JFK begins to act like a President.

What is the evidence on which critical attitudes towards the President have begun to change? I would cite three examples: (1) The Izvestia interview; (2) The recent handling of the Berlin crisis; (3) The Nov. 29, 1961, Presidential news conference.

THE DIALOGUE-INTERVIEW—The President wrung every possible advantage out of the opportunity provided by Khrushchev's son-in-law. He treated the Russians as equals but not as men who scare us. He reminded Khrushchev and informed the Soviet people that it was they, not the Americans, who broke the nuclear test ban.

He reassured them—if they need to be assured—that no one threatens their territory. Without being provocative he drove home his point that the World Communist movement seems to have a vested interest in creating chaos and suspicion.

THE BERLIN CRISIS—In his talk with Editor Adzhubel and earlier with Chancellor Adenauer, the President stressed that there would be no retreat from Berlin. He countered Soviet propaganda with a positive suggestion, that of an international administration of the Autobahn to protect access rights.

He assured the Russians there would be no nuclear weapons for West Germany. He left no doubt that, if properly handled, reunification of Germany might be a step towards easing, rather than increasing, world tensions.

THE PRESS CONFERENCE—Perhaps it is because the meetings with newsmen have been so infrequent, that it seemed this time the correspondents threw all their toughest questions at Mr. Kennedy.

They ranged from the hot potato revolving around the call-up of reservists to an intramural hot potato, whether women correspondents should be permitted to attend luncheons at the National Press Club.

AT TIMES the President's voice seemed strained. In answering several questions

he appeared to reflect nervous agitation. Yet his answers were complete and thoughtful. There was an absence of humor, but there also was an absence of self-satisfaction.

At this press conference he left the impression of a man earnestly groping for answers to questions that perplex him as well as the questioners.

But it also was the impression of a determined, thinking man.

To sum up: the President seems less partisan and less the professional politician than he has up to now. In the long run that may turn out to be the best kind of politics.

## PREDICTION:

By 1971, electricity will be serving you twice as many ways as it does today

A library of computer tapes will "read" books to you. Food for a month will be prepared, stored in an electric cooker-freezer, and served automatically. You will clean your clothes right in the closet with an ultrasonic dry-cleaner. Entire walls will glow with electroluminescent lighting in colors which can be changed to create different moods.

Science is developing new sources of electricity. American industry recognizes that the future is all-electric. That is why today, more than ever before, practically all segments of industry are channeling

tremendous efforts toward finding new ways to produce, deliver and use electricity. The electric industry, of course, continues to lead in this research. And logically so. Electricity is our business. We can produce it from a variety of sources. Whatever the source, electrical energy is limitless, and Southern California Edison will continue to bring you an abundant, dependable supply at the lowest possible rates.

the San Diego Zoo is reported to have fed a gorilla which weighed only four pounds at birth so wisely that now it weighs 600 lbs. How many big-college football coaches would like to hire her to manage their training tables!

**WE PROGRESS** too fast. In the good old days it was a rare distinction to have been around the world. Now all that it does is to let us play second fiddle to a chimp.

**SOME PEOPLE** make their patriotism pay well. The Los Angeles Department of Social Services, which checks on organizations soliciting funds, reports that a recent Anti-Communist school in Hollywood, lasting five days I believe, grossed more than \$311,000 and cost less than \$97,000. The profit goes into the battle against Communism.

**SEEMS TO ME** the complete answer to Communism, which promises a workers' paradise, lies in the fact that the East Germans, who have lived under Communism for years, daily run away from all they possess and risk their lives to get away from it.

**Council Meeting** (Continued from page one) behind the Retreat House with a deep ditch "that will carry all drainage and debris into Bailey Canyon, and we have enlarged the basins to catch the debris from the

blind canyon just west of the monastery." This, Father Plus contended, is sufficient to meet the flood dangers. Council, however, disagreed and after a lengthy verbal battle, including remarks by Paul Bauman, veteran hydraulic engineer that dangers to N. Sunnyside and Edgewise are imminent unless the city plans are adopted, Council arranged for City Engineer Charles R. Martin and Father Plus to confer further on the situation.

**OTHER PRINCIPAL** action by Council concerned the proposed Sewer Districts 73 and 74. Costs of the former are estimated at \$106,079 and the latter \$91,407. Costs to property owners on District 73 are estimated at \$7.21 a foot front, with \$200 additional for laterals. District 74 costs are estimated at \$7.34 a foot front, with \$200 additional for laterals. Definite action goes over until the Jan. 9 meeting. In the interim any necessary changes in the plans and costs will be effected.

**REVISED** population of Sierra Madre was given as 10,250, a gain of 580. This entitles the city to \$5,000 a month more in state and county funds. Mayor Vannier was authorized to proclaim Dec. 9-15 Bill of Rights Week. Hizoner was on the ball with a proclamation already prepared.

A detailed report on recent flood damage was submitted by City Administrator Bevington, this touching especially on Skyland Dr., where the damage was heaviest.

## Candlelight Carol Service 'Roads To Bethlehem' At Bethany This Sunday Night

The annual Candlelight Carol service presented by the Chancel Choir of Bethany Church of Sierra Madre takes place this coming Sunday evening, Dec. 17 at 7 o'clock in the church sanctuary at N. Baldwin and Montecito in Sierra Madre.

The musical program directed by Mrs. Margaret Schaper, will have as its theme, "The Roads to Bethlehem" in which the scriptural and dramatic narration of the Christmas story will unify the carols of many lands as well as graphically presenting the different aspects of the events surrounding the birth of the Saviour.

Incidental soloists for the program include Mrs. Ida Elby, Mrs. Helen Obazawa, Mrs. Nancy Stewart, Ray Treon and John Bush. Mrs. Marilyn Richter will accompany the choir on the console of the organ and cellist Jan Henney will present a musical number.

THE CHANCEL CHOIR has been working on the music for the program for several months and friends of Bethany and others who are interested in the great Christmas music of the church, are invited to this special musical presentation.

The program this Sunday is one of two programs to be presented by the musical department of the church. On Dec. 24, the children's choir will present a musical program in commemoration of the theme "Christmas for the Family" for which all of the families of the areas are especially invited.

## Methodist Notes

THE SIERRA MADRE Methodist Church and Sunday School will present the Christmas Story, "Unto Us A Child Is Born," Sunday evening, 7 p.m. Dec. 17, in the Sanctuary.

The play will be directed by Mrs. Renolds Cairncross, assisted by Mrs. Jesse L. Albright, Mrs. Paul H. Ross, and Mrs. Ben Wade. Dale Moore, choir director, will lead the youth choirs in special Christmas music and carols beginning at 6:45 p.m., as the congregation and public arrive, and visit the "Live Nativity" on the church grounds before the play begins.

The public is invited to attend, and share this true spiritual meaning of Christmas.

THE METHODIST CHURCH will sponsor the newly activated Troop 384, formerly Boy Scout Troop 383 that meets at Don Benito School. Grant Brown is the scoutmaster; Jim Dittmar, assistant scoutmaster; troop committee chairman is William Heller, and institutional representative, Alan Born.

The troop will meet on Thursday nights in Parish House of the Methodist Church, at 7 p.m.

Boys interested in joining the troop are requested to contact the church, or one of the officers. First meeting will be Thursday, Dec. 14 (tonight).

## Presbyterian Choir Offer Oratorio

Choir and soloists of the Trinity Presbyterian Church will offer Saint-Saens' Christmas Oratorio Sunday evening, Dec. 17 at 7:30 p.m. Lenore Espe, organist and Moma Emanuel, harpist, will accompany the work.

Norma Nurches, Pat Thomson, sopranos; Dolores Zinsmeyer, alto; Glen Stuart, tenor, from Rolling Hills, will solo.

The baritone role will be sung by Richard Wheeler, also directing.

'Tea and Torah' S.M. Study Group Will Meet Today

The "Tea and Torah" study group, sponsored by the Women's Division of the Foothill Jewish Community Temple Center in Sierra Madre, will meet on Thursday, Dec. 14 (today) at 10 a.m. at the home of Mrs. Irving Corben, 1120 Oakwood Place, Sierra Madre.

The group will study and discuss "The Ten Commandments," under leadership of Dr. Charles W. Steckel, spiritual leader of the Temple Center. Members and friends of the Women's Division are invited to attend. For further information call Elgin 5-1154.

## Atomic Force Sermon Topic

"The earth is the Lord's, and the fulness thereof; the world, and they that dwell therein." These words of the Psalmist (24: 1) are the golden text of the Sunday lesson-sermon in all Christian Science Churches. The question, "Is the Universe, Including Man, Evolved by Atomic Force?" is the subject.

Opening the scriptural selections will be this passage from Psalms (19:1-3, 7, 8), "The heavens declare the glory of God; and the firmament sheweth his handy-work. Day unto day uttereth speech, and night unto night sheweth knowledge. There is no speech nor language, where their voice is not heard. . . . The law of the Lord is perfect, converting the soul; the testimony of the Lord is sure, making wise the simple. The statutes of the Lord are right, rejoicing the heart; the commandment of the Lord is pure, enlightening the eyes."

## 'Providence' Topic Of Rabbi Angel

Rabbi Camillus Angel will conduct the Sabbath Eve services on Friday at 8:30 o'clock at Temple Beth David of the San Gabriel Valley. He will speak on "The Hands of Providence."

The Temple Choir will participate, with Mrs. Charles Lich of 710 Encino Dr., Arcadia, at the organ. A member of the congregation will read the Invocation and recite the Blessing of the Lights. Alfred Kartsman of 5503 Wedgewood St., Temple City, will read the Kiddush (Sanctification Prayer).

## Dr. Steckel's Topic 'Forgive And Forget'

Dr. Charles W. Steckel will conduct the Sabbath Services Friday night at the Foothill Jewish Community Temple Center. The rabbi's sermon will be "Forgive and Forget."

He will be assisted by Cantor Solomon Edelman and Bernice Tower will play the organ.

Hosts for the Oneg Shabbat are the Women's Division.

The public is cordially invited.

## Presbyterian Newsbits

Mrs. Sune Richards will be featured speaker at the Trinity Presbyterian Church Guild luncheon next Tuesday at 11:30 a.m. She will discuss children of the Bible.

An accomplished photographer, she also will display pictures taken in different parts of the country to illustrate her lecture. Some of her pictures are on display in a Washington, D.C., church.

New Circle chairmen will be installed as follows: Janet Lord, Circle 1; Iola Durning, Circle 2; and Barbara Burke, Circle 3.

Art. Penberthy has been chosen to head Trinity Men for 1962. Marshall Black is the new vice president, and Al Korngelbel, secretary-treasurer. New officers will be installed at the Jan. 24 meeting.

"The Christmas Oratorio," by Saint Saens, will be presented by the choir the night of Dec. 17 in the chapel.

A new son, Matthew Blake, was born Nov. 28 to Mary and George Jacobs who now live in West Covina.

Harold and Edna Davidson are on their way to Denmark where Harold is settling an estate. They will do some traveling on the Continent while overseas.

Jim Colet is stationed near San Francisco. He is kept busy working in the chaplain's office aboard the USS Prairie.

Frances McDowell has returned from a several weeks' visit in the East.

Helen Scharer has been called to Minneapolis by sickness in her family.

Olga Moore has returned from a brief stay in the California Hospital where her illness was diagnosed as not serious.

# News of the Churches

## Christ Story Will Be Told At Shepherd

The Christmas story will be simply told when the Sunday School of Shepherd of the Hills Lutheran church presents its program at 3:30 p.m. Sunday, Dec. 17, at Sierra Madre Masonic Temple.

All Sunday School children are taking part in the presentation. In charge is Mrs. Dorothy Sewell, Sunday School superintendent, with Mrs. Elsie Mueller, Mrs. Barbara Boone and the Sunday School staff assisting.

EACH CHILD will bring a gift to be given for an unfortunate child who otherwise might not know the full joy of Christmas. The children will place their gifts under the holiday tree in the church.

At the service at 10:10 o'clock that morning, Rev. Ray E. Hansen will preach on "The Gift of Your Heart." The choir led by Charles E. Markham will sing, "The First Noel."

'Obedience' Subject For Advent Talk

"The Ingredient of Obedience" will be Rev. Armin Hesse's 10:30 Sunday morning sermon topic at Faith Lutheran Church, 835 Hastings Ranch Dr. This pulpit message will be the third in the series on "Some Ingredients of Advent Preparation."

The third candle on the Advent wreath will be lighted by a representative of the Lutheran Women's Missionary League.

SUNDAY SCHOOL will convene at 9 a.m. in the annex building to rehearse the procession in the Sunday School Christmas Eve service directed by Kenneth Eucken. Subject of the Sunday lesson will be "The Birth of Jesus Christ."

A special rehearsal for all pupils participating in the Christmas Eve service tableaux will be held on Saturday morning at 10 o'clock. Mrs. R. S. Guild will direct the tableaux.

## Bethany Notes

Activities at Bethany Church of Sierra Madre this week center around the Christmas theme as the congregation commemorates the birth of the Saviour. Highlight of the week will be presentation of the Chancel Choir in their annual musical program on this Sunday evening, Dec. 17 at 7 p.m.

Other activities are more of a social nature with three adult classes having class parties as well as several younger Sunday School classes. The Pioneer Girls Club held their Christmas party on Tuesday, Dec. 12.

AS PART of the Christmas observance, a nativity scene has been constructed over the main entrance to the church. Ray Smokel, of Sierra Madre, a commercial artist and a regular part of Bethany Church life, designed the six figures done in silhouette.

The figures depict the coming of the Christ-child in a manger setting, with the shepherds present as well as Mary and Joseph. The background is provided by several white trees which reflect the light, producing a simple yet graphic scene.

DR. ROBERT N. SCHAPER, pastor, announces his theme for the next two Sundays will be "The Joy of Christmas." A standing invitation is extended to the public to attend the special Christmas observances at the church as well as the regular church services.

The church is at 93 N. Baldwin in Sierra Madre. Two services in the morning are provided for the convenience of the congregation and because of the crowded facilities.

First service is at 8:15 a.m. and the second at 11 a.m. Sunday School is provided for all ages at 9:30 a.m.

Patrolman Keith Ends His Vacation

Police Officer William L. Keith is back on the force after a two-weeks' vacation spent winter resorting at Mammoth Mountain, Calif.

## 'Yule Light' Subject For Dr. Barnhart

On Sunday morning, Dec. 17, at the 11 o'clock service at the Santa Anita Church of Religious Science, 226 W. Colorado Blvd., Arcadia, Dr. Barnhart will invite each worshiper to "Turn on Your Christmas Light."

The light of the Holy Star of Bethlehem shines down through the ages to illumine the lives of all who believe. Those who receive the light must let it shine through them to bless and lift the world.

Offering by the Tower Choir will be "This Day Is Born Immanuel" by Praetorius. Child care is available. The public is invited to worship with us.

Special Christmas services will be continued by Dr. Barnhart on Dec. 19, 20, 21, 22 at 8 o'clock each evening. These consecutive nights of lectures and prayer are in preparation for a real Christmas experience. The service on Friday night, Dec. 22, will

include Holy Communion. A "WHITE CHRISTMAS" opens the way for the members, congregation and all who desire to join with us, to enter in the spirit of Christmas by sharing our good with other less fortunate. Gifts of food, clothing, toys (wrapped in white if possible) will be blessed and distributed to the needy of the community.

Junior Church convenes at 11 o'clock Sunday mornings and offers graded classes from pre-school through 8th grade. High school and college groups meet at 7:30 p.m.

Wednesday at 10:30 a.m., Rev. Rosalie Fowler will conduct a healing service in the sanctuary. This class is open to the public and regular attendance at this meeting has brought wholeness and healing to many.

## Fortnighters Will Discuss Christ

The Fortnighters, Congregational Church adult discussion group, will, appropriately, study the question, "What Can We Believe About Christ?" at their meeting this month. Of particular interest will be the question concerning the Nativity of Christ, Incarnation, and meaning of Christ's love in our life today.

### Pioneer Girls Stage Their Yule Party

The Pioneer Girls Christmas Party was held Tuesday at 7 p.m. in Fellowship Hall, Bethany Church.

About 100 girls attended, including those from the 3rd through 9th grade, their mothers and pals or guides. Each Pioneer Girl has an adult pal who prays for her daily and is her friend.

Under the leadership of these guides, the girls had planned for the entertainment. Guides for the 3rd and 4th grades are Mrs. David Roess, Mrs. Art Schoepke and Mrs. Paul Wyrick. Guides for 5th and 6th grades are Mrs. James Dodge and Mrs. Brice Carlson, and for the 7th-9th grades are Mrs. M. Pollock and Mrs. Glen Maxwell.

FOR THE PAST few weeks the girls were busy in their weekly meetings making gifts for their mothers and pals, and there was an exchange of gifts at the party.

The Pioneer Girls committee, headed by Mrs. James Stewart, assisted by Mrs. Henry Childers, Mrs. Robert Everhart, Mrs. N. White and Mrs. Lester Packard, were in charge of refreshments.

Pioneer Girls meet every Tuesday at 4 p.m. for girls of the 3-6 grades and at 7 p.m. for girls of the 7-9 grades. All girls are welcome.

## School Committee Will Study Plans to Safeguard Pupils during Disaster

The Pasadena School District Board of Education is in process of carrying out Supt. Robert E. Jenkins' recommendation that a Citizens-Staff Advisory Committee on Civil Defense study all aspects of a school defense program, this including that of the Sierra Madre and Sierra Mesa Elementary Schools.

Until this study has been completed and changes officially approved, the present policies and procedures so effective during the recent Sierra Madre-Hastings Ranch forest fires, will remain in effect in all Pasadena District schools.

Here is a brief outline of present procedures for action in the event of disaster, as established within the framework of the official Civil Defense program:

A plan for each principal to carry out the district's master blueprint for meeting disasters in his school.

A procedure which provides that, in the event of a civil disaster, students will be released to their parents or held at the school until clearance for dismissal has been obtained from Civil Defense officials.

A system of monthly drills for fire, earthquake, flood, air raid, and other major disasters.

A program of education to prepare pupils, faculties and other employed personnel participating in these drills.

A supply of medical and first aid equipment at each school.

## Judge Sturgeon On Bank Board

Judge John A. H. Sturgeon of Monrovia, Municipal Court judge of the Santa Anita Judicial District, has been elected to the Board of Directors of the Brentwood Savings & Loan Association, President Jack J. Spitzer announced today.

Judge Sturgeon, a practicing attorney in Monrovia until his elevation to the bench in 1952, will serve on the expanded board of

Brentwood Savings & Loan, with facilities in both Monrovia and Brentwood following the recent merger of the 22-month-old Brentwood Savings & Loan Association, into Monrovia Mutual Savings & Loan Association, pioneer San Gabriel Valley institution, on Nov. 16.

In the game of life the man to watch the closest is yourself.

## Rescue Team, Police Save S. M. Youth

23-year-old Sierra Madre resident, stranded on a high ledge above the Little Santa Anita Canyon Dam, was brought to safety last Thursday night by members of

the Sierra Madre Search and Rescue Team and Police Department.

Kenneth Young of 850 Woodland Dr., clad in shorts and T-shirt left at 2 p.m. to hike the Santa Anita Ridge toward Mt. Wilson. Returning he was overtaken by darkness and became stranded on a steep cliffside

300 feet above the canyon floor. Canyon dwellers heard his cries and called the Sierra Madre Police Department which notified the Search and Rescue Team. Arriving at the scene the members climbed the ridge above the cliff and brought the young man safely down.

## Twin Sister Visiting Here
